INFORM YOUR MANAGER IF YOU HAVE A FOOD ALLERGY BEFORE PLACING YOUR ORDER. We rely on suppliers for accurate information. Variations may occur due to differences in suppliers, ingredient substitutions and recipe changes. As our operations involve shared preparation/cooking areas, accidental cross contact may occur. We cannot eliminate the risk of cross contact or guarantee that any item is allergen-free. If you have a severe allergy you are at a much greater risk of a serious reaction. Decisions as to the precautions you take, or risks you may expose yourself to, should be made in consultation with your doctor.

Thoroughly cooking food of animal origin, including but not limited to beef, eggs, fish, lamb, milk, poultry, or shell stock reduces the risk of food borne illness. Young children, the elderly, and individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked.

Menu and pricing are subject to change and may vary by location.

Lack of gluten-containing ingredients does not guarantee that the item does not contain traces of gluten.
